Marine Life Collection

Each piece adds an artistic vision to the simplicity of nature, capturing the essence of New Zealand's marine beauty and highlighting its remarkable diversity. The harmonious blend of art and nature in the collection pays tribute to the extraordinary character of these environments, showcasing their singularity through thoughtful design and vivid expression.

Paua Shell

TREASURE FROM THE DEEP

An ocean of colour on pure silk – inspired by the shimmering blues, greens and purples of New Zealand's pāua shell, lovingly transformed into a little piece of wearable art
