Flowers

The Poetry of Nature

From the graceful unfurling of a fern to the vivid colours of native blooms, each design celebrates the resilience, individuality, and quiet magic of the natural world.

Native Plants

Southern Alps

As you drape the silk around your shoulders, light moves through the colours and the artwork comes alive, creating a moment of beauty that belongs uniquely to you.

The Spirit

of the Wild Life

Through colour and movement, these scarves capture the freedom of a bird in flight, the rhythm of the ocean, and the mysterious beauty of life beneath the waves.

Paua

Seagulls

Orca

It is a way I celebrate nature and perhaps, I can inspire you to protect what we love.

Landscapes

The Soul of the Land

New Zealand is a land of extraordinary contrasts with dramatic landscapes, open skies, and places shaped by generations of history.
