Landscape Collection

NEW ZEALAND - LAND OF THE LONG WHITE CLOUD

You will carry not just memories of its tales of ancient cultures and pristine nature, but a piece of its soul, a piece of the most entirely submerged continent Zealandia.

A tangible connection to the landmark's enduring legacy and the uplifting spirit it represents.

Best way to discover nature's hidden gems in a note of mystery under the blue sky.

Creation

OF NEW ZEALAND

The unique abstract vision of New Zealand, part of the Earth, in the middle of the ocean, land remaining from Zealandia buried deep beneath the waves of the Pacific

A message of harmony and celebration of the Earth wonders

The scarf remind us about our position on Earth, the powerful forces of nature, but also our role in shaping our land and our identity as a nation.
